## 1. Welcome Message

Dear Colleagues,

We are delighted to welcome you to attend the 2024 International Conference on Flexible and Printed Electronics (ICFPE2024), to be held August 28-30, 2024 at the GIS Conventional Center at National Taiwan University in Taipei, Taiwan (R.O.C). This event will provide a strong connection between scientists, professors, industry, and students from a wide range of professional backgrounds. This conference will also give you an opportunity to collaborate with leading researchers and sponsors.

Taipei is a beautiful and vibrant city. As a major center for business and technology, the city offers excellent transportation, making it an ideal destination for the conference. Surrounded by mountains and spectacular viewpoints, Taipei possesses many remarkable attractions, including Taipei 101, Yangmingshan National Park, the National Palace Museum, Yehliu Geopark, and several charming old streets and night markets. We believe the city will offer you an unforgettable experience in nature, business, science, and technology.

On behalf of the International Conference on Flexible and Printed Electronics Organizing Committee, we thank all of the attendees, speakers, chairs, reviewers, and sponsors for their support. Your contributions are invaluable, and we sincerely hope you enjoy the enriching journey in Taipei.

Warm regards,

International Conference on Flexible and Printed Electronics Organizing Committee

## 2. About Conference
